I have an implanted medical
device prescribed by my physician.

Innovations For Active Healing

Patient Information

Name: _____

Address: _____

City: _____ State: _____

Zip Code: _____ Phone: _____

This person has an implanted StimRouter Lead and TalisMann Pulse Generator and Receiver and can be safely scanned with MRI only under very specific conditions. Scanning under different conditions may result in severe patient injury or device malfunction. Full MRI safety information is available in the MRI Safety Information section of the TalisMann User's Guide which can be obtained at TalisMann.com or by calling (888) 453-2136.
